Kacou 27 (Kc.27) : The passage of the children of the devil through the Flood

Prophet Kacou Philippe

Messenger of Matthew 25:6 and Revelation 12:14

Who is Prophet Kacou Philippe?

★ Biography

Youth

Kacou Philippe was born in December 1972 in Katadji, in the department of Sikensi (Ivory Coast). He is the son of an illiterate farmer. After primary school, Kacou Philippe was only able to do the first four grades of secondary education. From 1992 to 2002, he spent most of his time as a worker on construction sites.

First steps in Christianity

Everything starts with a vision that he has on April 24, 1993. First, he goes to a catholic priest to inquire about the meaning of the vision. Then, he goes to the Baptists with whom he spends three months and after that, he comes across the movement of William Branham, an American evangelist. He remains with the movement as a mere church member from 1993 to 2002.

The beginning of the ministry

Kacou Philippe starts open-air preaching in July 2002, after a second visitation of the angel that he saw in 1993. He claims to be the prophet messenger of the midnight cry, according to Matthew 25:6. For Prophet Kacou Philippe, all the churches are serving the devil in the name of Jesus Christ. He relates several times another vision that he had in 1993, and in which he says he saw church leaders with strange appearances:

“Their bodies were human bodies, but their heads were heads of different animals”. The first debates and confrontations then start.

Kacou Philippe preaches several mysteries, such as: “If God destroyed all evil with the Flood at the time of Noah, then how did evil come again on the earth after the Flood?” And this sermon has been published entirely by a Cameroonian newspaper. Kacou Philippe states that his words have the same value as the words of the prophets of the bible.

★Thoughts

The baptism according to Kacou Philippe

For Kacou Philippe, the Church starts with John the Baptist, and it was the baptism of repentance. Then the baptism of remission of sins with the apostles, then the baptism of justification by faith with Martin Luther; then the baptism of the renaissance of the Church after the first Roman persecutions; then the baptism of adoption; then the baptism of sanctification with John Wesley; then the baptism of regeneration with Pentecostalism; the baptism of restoration with William Branham and now the baptism of restitution with Prophet Kacou Philippe. And he asserts that apart from this, any other baptism is fake, even if it is done in the name of Jesus Christ or in the name of the Father, the Son and the Holy Spirit by immersion.

Kacou Philippe and Christianity

Kacou Philippe considers the Bible as the rear-view mirror of a car or a book of history. For him, the Bible is a vestige of the Judeo-Christian prehistory and can in no way give eternal Life. He burns all the Bible versions that he considers dangerous for the faith, such as Tob, King

James, Thompson, Scofield and Louis Segond. He redefines what the Word of God is, establishing the difference between the Word of God (revealed truths) and theology (knowledge acquired through intelligence). He redefines the divinity of Jesus Christ, the confession of sins which must be public, woman's place in the Church, water baptism, the Holy Spirit, the prophet, the Bible, the relation between Church and State and many other aspects of Christianity. On this, he refused to respond to a summons from the General information police of Ivory Coast. He redefines the whole of Christianity in a book called The Book of Prophet Kacou Philippe, published in three volumes by Édilivre in France… See Newspaper: Le Jour Plus N°3399 of April 15, 2016 and the newspaper Le Sursaut N. of April 15, 2016.

In March 2008, Kacou Philippe gathers all the religious leaders of his country, journalists and the civil society for a conference on Christianity, in which he judges the church. A newspaper portrays him as the maestro of the Word of God. After that conference, a newspaper read in its headlines, "A prophet unveils men of God". Like William Branham, Kacou Philippe mentions a supernatural presence which he attributes to the angel of April 24, 1993.

In 2008, the sermons of Prophet Kacou Philippe starts to be translated into other languages. Newspapers publish his sermons entirely, even outside Ivory Coast. A Cameroonian newspaper puts on its headlines: Kacou Philippe, A prophet reforming Christianity. On the media like Africa Number 1, debates start. Some people answer back indirectly, while others do so overtly and violently. Some other people go further, taking the doctrines of Kacou Philippe one by one to better neutralize them.

On May 13, 2016, Prophet Kacou Philippe is arrested at his home by the Ivorian authorities for defiance of the State authority, incitement to religious hatred and religious radicalism. He spends four days and four nights sitting on a chair on the premises of the general information police of Ivory Coast. Then, he spends two days and two nights in the basement of the police headquarters of Abidjan and three months at the biggest prison of Abidjan, before getting back his freedom on the night of August 16, 2016, being deprived of all civil rights, forbidden to preach the Gospel for a period of five years. The Togolese and Cameroonian press called the trial ambiguous. Later, some Ivorian religious leaders admitted to being behind his arrest and imprisonment.

MINISTERIAL DISPENSATION THE DIFFERENT PHASES OF THE MINISTRY

For Kacou Philippe, his prophetic ministry has two main phases or identities. The first phase, which he considered an inheritance from his father, William Marrion Branham, is the fulfillment of Matthew 25:6 and encompasses all the revelations contained in chapters 1 to chapter 154 of his book called *The Book of Prophet Kacou Philippe*. The second phase, which is prophetism, dreams, and visions, is the collection of revelations from chapters 155 to chapter 162 of his book. And from chapter 163, and an undetermined number of chapters for the time being, comprises the whole of the testimonies of healing and miracles confirming his ministry through various healing services in several countries around the world, up until the fulfillment of the vision of the big stadium he had in 1993.

Prophetism according Kacou Philippe

According to Kacou Philippe, dreams and visions are the sacred language between gods and humans, including the Supreme God. He compares dreams and visions to traffic laws and road signs on humanity's journey toward God; therefore, ignoring a dream or vision is to mock God. Thus, according to him, this is a subject that should be addressed in all churches and religions worldwide to demonstrate the importance of dreams and visions to the faithful. However, the interpretation of dreams and visions should be approached with great wisdom and caution by any religious leader, for it is by a gift from God that it should be done.

Kacou Philippe’s Healing Services

On June 5, 2022, Kacou Philippe had a vision in which an angel gave him a blue notebook and instructed him to go to South Africa. At the appointed time, he understood that the blue notebook was a passport and that after more than 20 years of ministry without leaving Ivory Coast, God was now commanding him to undertake missionary trips and he was to go first to South Africa to retrieve the gift of healing left by William Branham. Through several dreams and visions, he understood that he should organize healing and miracle services free of charge. An angel instructed him in 2021 never to accept money or gifts in kind from anyone, for any reason whatsoever, during his healing services. He begins his first healing services in South Africa in March 2025 in several cities, including Johannesburg, Pretoria, Middelburg, and Zebediela, and in April 2025 in Zimbabwe, after experiencing some minor difficulties obtaining a visa. Healing services in Zimbabwe took place in the cities of Harare and Bulawayo from April 16 to 21, 2025. Several sick people — blind, paralysed, lame, HIV patients, and deaf —

were healed instantly or days later, according to several testimonies. Numerous South African, Zimbabwean, Ivorian, Beninese, Cameroonian, and Central African press outlets, as well as major newspapers such as the Herald and the Chronicle, reported on Prophet Kacou Philippe's trips to South Africa and Zimbabwe. According to Kacou Philippe, his missionary trip to South Africa and then Zimbabwe, as well as his miracles, are identical to those of William Branham in his time in 1951. This similarity of miracles could be verified by reading or listening to chapters 163 and 164 of the book of Prophet Kacou Philippe and the book of official testimonies, William Branham, a Prophet Visits South Africa by Julius Stadsklev. This similarity would lead to the conclusion that the angel of the Ohio River is the same angel who is with Prophet Kacou Philippe. After Zimbabwe, Kacou Philippe was scheduled to visit Gabon in June 2025, but the Gabonese state refused him a visa because of religious leaders who are hostile to the free healing services of Prophet Kacou Philippe for various reasons, but especially because of the entirely free nature of Prophet Kacou Philippe's healing services, in strict obedience to the instruction of an angel in a vision in 2021. This led to the cancellation of his program in Gabon and programs in other countries such as Benin, Togo, Cameroon, Congo Brazzaville and Congo Kinshasa.

Important information before reading

The Message of Prophet Kacou Philippe has more than 100 chapters, and this is only one of them.

The Message of Matthew 25:6 - Integral text
KACOU 27:THE PASSAGE OF THE CHILDREN OF THE DEVIL THROUGH THE FLOOD

(Preached on Sunday morning, September 12, 2004 in Locodjro, Abidjan – Ivory Coast)

1 Let's take our Bibles in Genesis 7:1 to 4... I want to talk about an important subject: how did the sons of the devil that we see in Genesis 4:17 to 24 pass through the Flood in the time of Noah? If somebody has already preached this Revelation, I have neither read, nor heard it but like the other times, that was revealed to me on August 31, 2004.
2 Before that, I thought that, either one of the children of Noah was of the devil, Ham particularly, or one of the three wives was carrying an adulterine child. I thought that, as by the adultery of Eve, the children of the devil had entered into the world, it had been the same way with the daughters-in-law of Noah. But by the grace of God I had never spoken of these things.
3 I also heard that it would be one of the three wives of Noah's sons who would be of the devil. But that cannot be possible because a son of the devil could not enter into the ark. I have also heard that at the Flood all the children of Cain being destroyed, it was spiritually that that happened. The most precious of these things was that, as by adultery, the children of the devil entered into the world, one of the three daughters-in-law of Noah would carry a pregnancy from a son of the devil by adultery. All these declarations have some value but do not say what it is in reality. They are false.
4 If all the children of Cain were destroyed then the world should be a Paradise in the first moments of after the Flood at least. But we can see that after the flood, the world was so quickly corrupt that in chapter 11 already, God confused their language.
5 Now, it cannot be a question of spirits, that is to say, angels, because an angel cannot have a sexual intercourse with a woman otherwise Satan would do it without using the serpent towards Eve. And if an evil spirit did it after the Flood, who did he use if it is not the serpent which lost its first state? People simply spoke before the time when God Himself should give this revelation.
6 In Exodus 19, as God was to come down on the mountain, the Jews should not go near their own wives. And when the Jews had to pass across the Jordan with Joshua, they did not go near their own wives. And when David and his group were to eat the showbread in their escape, they should not go near their own wives. And a son of God knows that.
7 But look at the sons of the devil. A son of the devil can sleep with his wife on Saturday night and go to church on Sunday morning, praise and sing and preach, and the anointing of the holy spirit comes upon him. What is it? It is a diabolical anointing. It is a spirit of demon and their Jesuses are demons. I say it to you in the Name of the Lord Jesus Christ in the virtue of the vision that I received on April 24, 1993.
8 These Catholic, Protestant, evangelical and Branhamist churches are of the devil. Leave these places! Run away from hell! If you are sons of God, your place is not there. God gave us genitals and authorized us to reproduce by sex, but know that that was not in the perfect will of God. And over these three years when this Message is being delivered, it has been so; so much so that I spent twelve entire and consecutive months without going near my own wife.
9 Well. What happened then? Who was therefore of the devil in Noah's Ark? We are approaching it little by little... In Heaven, there are the angels that do not progress. They are either of God, or of the devil. That is why our spirit has only one sense which is: either faith which is of God, or incredulity or doubt which is of the devil; whereas the body has five senses: taste, touching, sight, smelling and hearing. And the soul has also five senses:

imagination, reason, feeling, conscience and memory. But as for the [S]pirit, It is of God and It has faith or it is of the devil and it does not believe what God does.
10 But on the earth, there were sons of the devil before the flood and if there are some after that, then the chain was not broken and that is it. I am talking about the carnal chain.
11 And here is thus the revelation on this subject: In the Garden of Eden, there were two seeds that came out of Eve: Seth to replace Abel and Cain, themselves respectively descendants of Adam and the serpent. Adam is the pure seed and the serpent is the impure seed. Eve is a pure seed as well. Also, all the children of Adam and Eve were pure seeds, therefore of God. But any cross of pure and impure seeds is a hybrid seed…
12 But the hybrid seed has thousands of pure and impure seeds in his loins. If the seed coming from the woman is pure and that coming from the man is pure, that will give a son of God; but impure and impure gives a son of the devil, then pure and impure gives impure thus a son of the devil.
13 And notice that after the hybridisation, a son of the devil and a daughter of the devil can give a child of God since they both also have pure seeds even if it is in small number and a son of God and a daughter of God can also bring a son of the devil into the world. Also, the impure ones are more numerous within the loins because of the unceasing war between them.
14 Like Esau and Jacob. Moreover, like Abel and Cain, they are the impure ones that eliminate the pure ones. If God had not destroyed the earth, there would not be any son of God. You see that out of six billion men already, there were only eight in Noah's days. It is the same war that took place in Heaven between Michael and Satan's angels that is continuing on the earth. It is the same war between Esau and Jacob in Rebecca's womb, between Abel and Cain up to today and which will go up to the war of Armagedon.
15 And when God sends the pure seed of the Word on the earth, Satan seeks to hybridise it and appropriate it.
16 In the Garden, the Spirit of God and the spirit of the devil were working respectively on Adam and the serpent. Thus, Adam, Eve, Abel and Seth and Adam and Eve's daughters who did not unite with Cain and his posterity were entirely pure and were saved. After this generation, uncertainty starts for man because Cain and his sons multiplied in great number also through polygamy, fornication, adultery by means of their huge riches and it was them who led the world and who voted laws. Thus, 1600 years later, according to Genesis 6:11 to 12, the earth was corrupt.
17 But the grace of God made that, in that time, there was a sign. A pure seed met a pure seed and that gave Noah. Then, there was the same thing somewhere and that gave a woman and God made that they met and had three sons who could be impure but who were pure. Ham was a son of God; I say it in the Name of the Lord. And their three wives were also daughters of God.
18 Shem was a son of God. Ham was a son of God. Japheth was a son of God. All of them were sons and daughters of God in the ark. [Ed: The congregation says, "Amen!"]. Thus, in the ark of Noah, there were no sons or daughters of the devil. It is because the daughters-in-law of Noah were of God that they believed in Noah and entered into the ark but according to Genesis 19:14, the sons-in-law of Lot did not believe in Lot. And yet, in the loins of all eight of them, there were pure and impure seeds but with a dominance of impure seeds. And for example, out of twelve children that Japheth and his wife had, two could be of God and the others of the devil.
19 Thus, if God had allowed Noah to go beyond his three sons, he would have sons and

daughters of the devil because, in 1600 years, there were tens of hybridisations in his line of descent. The evidence is that, there were some Nimrod and Judas Iscariote on the earth. And if the Flood had not come, there would be no more sons of God on the earth. And that is also applied to Matthew 13:24 to 30. Make a coffee plantation, plant coffee only, but some thistles and thorns and creepers will emerge one day or another, will prevail on the coffee trees and that field will become again the same forest that you had cut down.

20 What I am preaching this morning, Noah saw it but he did not understand it. But according to Acts 3:21, that should be known in the time of the restoring of all things.

21 Well. Now follow that. When his white cock and his white hen that remained from their species started to multiply on the earth, … When the first chicks of after the Flood came out of their eggs, Noah saw that there were white chicks, spotted chicks, black chicks… The ewe of Noah did the same. … Ham brought into the world, a child resembling the brother of Noah who had died in the Flood.

22 Noah saw that the Flood had destroyed some people but not seeds. If all the Albinos, both children and great, died one day, would there never be any more Albinos on the earth? There will be! You see that I stammer but my father and my mother do not stammer. If God wanted to destroy all those who stammered on the earth when my father and my mother were young, they would remain alive and there would be no man who stammers on the earth. But after this destruction, here is Kacou Philippe who stammers. That is what occurred at the Flood.

23 In a simple way, if the sons of the devil are on the earth after the flood, then the only way was that they were in the ark. But where were they hidden? They were hidden in the loins of Noah and the sons of Noah. [Ed: The congregation says, “Amen!”].

24 Brethren, were they not Christians, true sons of God running away from the Roman persecutions who went and peopled the United States of America? So where do those demons in the flesh who walk in the streets of Hollywood come from? You Americans, how can you imagine that a Ben Laden may exist after the Flood? That is a mystery.

25 Well. Cain has pure and impure seeds because he is also a son of Eve who is pure and will therefore mysteriously be able to beget a son of God. And that daughter of Adam and Eve, who will be the wife of Cain needs to repent for having been the wife of Cain and must purify herself to be saved. Their children are hybrid but might in their turn produce some sons of God.

26 Now, let’s consider the case of Jacob which is prophetic. Jacob had twelve sons among whom only one is of the devil, Dan who has the snake as an emblem according to Genesis 49:17, for Jesus Christ was going to have twelve sons among whom only one, Judas Iscariote would be of the devil. For that, Jacob needed 4 wives and God directed the seeds. And the name of Dan was blotted out of the twelve tribes according to Revelation 7 like the one of Judas Iscariote.

27 Thus, after the Flood, the sole human on the earth who did not have any impure seed in his loins was the Lord Jesus. Thus, listen to this now: we know that Joseph is not the biological father of the Lord Jesus but also, I tell you that the egg from which the body of the Lord Jesus Christ was formed does not come from Mary because Mary has impure seeds in her and it is absolutely impossible that Mary may produce a child having no impure seed in his loins.

28 The baptism of the Holy Spirit does not take away this state from us but leads us to the exit which is the celestial body that the Lord Jesus took at the resurrection and He did not allow Mary Magdalene to touch Him. John 20:17. Elijah and Moses have already put it on and

we saw that on the mountain of the Transfiguration. But we are waiting for that with Peter, Paul, John Wesley, William Branham, ... there, we will be like the Angels, with no impure seed in us.

29 And with the celestial body, we will not be able to eat rice and other until, after the marriage we come down on the earth in the Millennium as in Genesis 18, in envelopes like these bodies, being able to eat again but also being able to disappear, appear like gods.

30 Thus, according to the revelation that was granted to me, that was the way the sons of the devil passed through the Flood. Thus, 300 years after the Flood, when Noah saw some men with drawings on their biceps, some polygamous men, some women in trousers, some pastoral schools, some women preaching in some churches despite their menses, Noah did not understand and said, "did God not destroy these ones? How does it come that there are still some? Certainly, my daughters-in-law were of the devil, for me to see, again, some women in menses preaching." God told him: "Noah! Noah! It is not that! But these things are hidden and sealed until the time of the end ". And Noah Blessed God.

31 And in this end of time, when the earth was corrupt as in the time of Noah, God remembered and sent a man with the ministry of Noah to whom the promise of the revelation had been given so that whoever believes has eternal Life.

32 No matter how many dead people you have raised, whether you are called Tommy Osborn, Billy Graham or others, you are obliged to enter into Noah's ark to have eternal Life. And from generation to generation, God has always sent a Noah on the earth, a prophet messenger, alone in his generation. And his Message is the ark in which you must enter to have eternal Life. And today, you are hearing the Message of your time. And it is the same offensive, insulting and barbaric Message that he preached and which repelled everyone; a Message that he did not go and seek somewhere but which the Angel had given him.

33 At the time when Noah was preaching on the earth, you could not be saved outside the Message of Noah. At the time when Moses was on the earth, you could not be saved outside Moses. At the time when the Lord Jesus Christ was preaching on the earth, you could not be saved outside the Message of the Lord Jesus Christ. At the time when Martin Luther, John Wesley, Ulrich Zwingli, John Calvin, William Seymour and William Branham were preaching on the earth, you could not be saved outside their Messages.

34 And today, you cannot be saved outside the Message of Prophet Kacou Philippe. Why? Because the Lord Jesus Christ is the same yesterday, today and forever. What He did for the past generations, He will always do it. It is by a living prophet in your time that you must believe to be saved and it is the test of your time. You must overcome the churches and the seducers of your time and accept the only and unique prophet that mankind is fighting against to have eternal Life. He that has ears to hear, let him hear.
